The WHHS Chapter of the National Technical Honor Society

The WHHS Chapter of the National Technical Honor Society (NTHS) held their 3rd annual "Easter Egg Hunt" for the children and grandchildren of the faculty and staff of Western Harnett High School on April 9, 2014. The NTHS is an honor society for Career and Technical Education students. Members of the WHHS NTHS Chapter use this project as a fun way to interact with the younger children and to provide an entertaining activity for the children of their teachers. The NTHS members donated the candy, as well as packed and hid the eggs.
