Bus Driver Appreciation Week!

Bus Driver Feature #1
Thanks to Tracy Neighbors for loving our students and our buses! Ms. Neighbors works in the cafeteria at Overhills Elementary School and drives Bus 135 for the elementary and high school students. This is her tenth year as a bus driver. Her favorite thing about being a driver is spending time with the elementary and high school students she affectionately calls her "babies".

Love The Bus Week
Bus Driver Feature #2
Thanks to Adrienne Matthews for loving our students and loving our buses!! Ms. Matthews works as a Teacher Assistant at Angier Elementary School. She drives Bus 114 for Harnett Central High and Angier Elementary and has been a driver for 12 years!
Adrienne says she enjoys driving the bus because she is the first person the students see each morning and that gives her the opportunity to spread some joy with a welcoming smile each day.
