Angier Independent Closes up Shop

The Angier Independent announced it will be canceling their weekly publication that covers Angier events and News. With the closure of the new publication many locals in the Angier area feel that they are left without a news source. It response to the worries of local residents, the Harnett Dispatch has announced that they will dedicate a section to the town of Angier, that will cover local news, events, and community announcements. The advantage of the new Angier section in the Harnett dispatch is that there will be news reported on a daily basis. The Harnett Dispatch is proud to serve the residents of Angier. Please forward your news and events to Harnettdispatch@gmail.com
