This week (October 20-24) is National School Bus Safety Week

This week (October 20-24) is National School Bus Safety Week. This week is set aside for parents, students, teachers, motorists, school bus operators, school administrators, and other interested parties to join forces and address the importance of school bus safety. Harnett County Schools has about 250 buses on the roads across our county every day. Please do your part. Always "#Brake 4 Buses" and watch for children crossing the road.
