Petition Forming In School District 03

We do not want to move our children to Dunn Middle School. This is not a solution, we need new schools or another plan rather than moving our kids!

Petition Background

Moving our Coats-Erwin kids to Dunn Middle to settle overcrowding. This is a short term solution and will not help the problem. We need more schools or other solutions. Please sign my petition if you live in Coats, Erwin, or Dunn and if you are 18 and older.
